**PETITION UNDER 37 C.F.R. § 1.181(a) TO  
WITHDRAW HOLDING OF ABANDONMENT**

Dear Sir:

The above-identified application became abandoned for failure to timely or properly  
reply to a Notice to File Missing Parts allegedly mailed on February 5, 2004. Applicants  
respectfully submit that Applicants' representative did not receive the original Notice to File  
Missing Parts and petition the Office to:

- (1) Mail a new Notice to File Missing Parts; and
- (2) Withdraw the withholding of abandonment.

Applicants believe that a fee is not required. See MPEP 711.03; Delgar v. Schulyer, 172 USPQ  
513 (D.D.C. 1971). However, should the Office determine that a fee should accompany this  
petition, Applicants authorize the Office to charge any amount due to Deposit Account No. 10-  
0750/PRD-2110-USANP/LAD.

Applicants' representative became aware of the abandonment of the above-identified application on March 7, 2005 during a telephone call with the Office requesting the status while preparing corresponding foreign filings. A search of the file jacket and the docket records indicate that the Notice to File Missing Parts was not received. Attached is a copy of the docket record where the nonreceived Notice to File Missing Parts would have been entered prior to the entry for a Supplemental IDS, which was filed on March 24, 2004, had it been received and docketed.

A grant of this Petition is respectfully requested. Should the Office require additional information, the Office is invited to contact Applicants' representative at the telephone number listed below.

Respectfully submitted,

By:
